NOTE FROM OUR PRESIDENT

Dear Members:

Through track and field events, such as high jumping and pole vaulting, the phrase “raising the bar” was established. The expression conveys the idea of taking the accepted minimum standard to a gradually higher level to reach the objective of excellence. While every year our fundraiser has become more and more popular, this years’ Fashion Show committee did not hold back.

The event, Masquerade Magic, at the Inn at Spanish Bay was undoubtedly a glamorous event. With expertise and professionalism, each chair took ownership of their responsibilities and results are seen in the success of the event. From beginning to end there was high energy and enthusiasm. Huge thanks to my committee for generously giving of your talents, self, time and resources. I would also like to thank each and every contributor, donator, model and volunteer for a job well done. Thanks as well to all those who attended. Ralph Waldo Emerson said, “Unless you try to do something beyond what you have already mastered, you will never grow” We exceeded all our expectations and we are growing.

In addition to the Fashion Show, Gloria Reese, our President Elect went to Chicago in August for her Leadership training. Gloria returned somewhat tired after the whirlwind trip, but nonetheless, energized and very enthusiastic with lots of new ideas for the upcoming year.

Everyone I talk to has truly enjoyed the quality of our programs this year. In November, the programs committee will be meeting to decide on program the agenda for 2010. If you have a program idea for next year, I would love to hear from you. Your input is both valuable and important to us. The first of October the Board went to San Jose for our State Women’s Council of REALTORS meeting.

In November, we will be installing our 2010 Board. This is always a lovely event and one that you won’t want to miss.

With Sincere Gratitude,

Noni McVey
